NEW BUSINESS

Dr. White asked Representative Wood to explain what prompted House Concurrent Resolution 20. He said that his committee had been in the process of working through the naturopathic medicine bill, which prompted review of the chiropractic laws and rules. It was discovered that chiropractic Rule 020 regarding scope of practice was not in line with the Idaho Code 54-704.

Dr. White asked Representative Wood for suggestions on what the Board should do and how to proceed. Representative Wood stated he would be willing to help the Board in any way he could. He suggested that the Board go through all its laws to update old language and make sure the Board's rules comport with the statute. He also stated the Board should only recognize training by accredited institutions.

Dr. Downey moved that the Board allow Dr. White to work with the Bureau on developing a plan to work to address these issues and bring the report to the May 1, 2015 meeting. It was seconded by Dr. McKay. Motion carried.
